

## COVID 19 SAFETY PROTOCOL BAY VISTA

**We wish to state that your safety & well-being is our highest priority. In order to ensure that our hotel keeps you well protected, we have a list of stringent safety protocols which have been implemented across our property**

- Frequent sanitization of high-contact points in all public spaces using sanitizing chemicals recommended by the government of Sri Lanka
- Enhanced cleaning and sanitation of guest rooms
- Travel declaration forms are introduced to trace and monitor the movements of all guests and staff
- All guests and staff who enter the hotel are subject to mandatory temperature checks
- Hand sanitizers are placed in common guest areas, including lobby, washrooms, restaurant, reception
- We have altered our food & beverage services according to hand and respiratory hygiene, social distancing norms and current food safety recommendations by local authorities and the WHO.
- Face Mask are worn by all staff

We assure you that no efforts have been spared to compromise on your safety as we create the most hospitable stay for you and your loved ones. Stay Safe!
